

Chapter 17.06

LINCOLN WATER SYSTEM

(The Operative Date of Ordinance No. 18262 passed November 3, 2003 is JANUARY 1, 2004).

Sections:

- 17.06.010 Control and Maintenance.**
- 17.06.020 Installation of Water Mains; Only Director to Tap Main.**
- 17.06.030 Access to Buildings Supplied with Water.**

17.06.010 Control and Maintenance.

The Director, under the direction of the Mayor of the city, shall have control and be responsible for the operation and maintenance of the Lincoln Water System, and shall have the responsibility and duty of administering and enforcing the provisions and requirements of this title. (Ord. 13892 §30; July 16, 1984).

17.06.020 Installation of Water Mains; Only Director to Tap Main.

(a) All public water mains of the Lincoln Water System shall be installed under the direction of the city's Department of Public Works and Utilities.

(b) It shall be unlawful for any person other than the Director to disturb, tap, change, obstruct, interfere with, or in any manner have access to any of the water mains of the Lincoln Water System which have been connected with the water supply, unless authorized by the Director. (Ord. 18262 §1; November 3, 2003; prior Ord. 13892 §31; July 16, 1984).

17.06.030 Access to Buildings Supplied with Water.

The Director shall have access at reasonable times to every building to which water is supplied, to examine the pipes and fixtures, to ascertain whether there is any unnecessary waste of water, to secure water meter readings for billing purposes, to install, remove, test, repair, or replace water meters, remote meter reading devices, backflow prevention assemblies, and appurtenances thereto, or for other purposes. (Ord. 18262 §2; November 3, 2003; prior Ord. 13892 §32; July 16, 1984).
